For returning citizens note the following important rules:

1. Physical presence of shipper is required for customs clearance for the first shipment. If for some reason it is not possible to be present during customs clearance with the first shipment, it can be arranged by authorizing someone. We can arrange a temporary import which is valid for only 60 days (not stated) and the migrant needs to report one self **personally** at the customs office. If one does not, all taxes and duties have to be fulfilled.
2. Duty free import is allowed up to US \$5000 in total. The amounts will be listed during import, which can be done in several steps until the amount of US\$ 5000 is reached. Any import afterwards, one has to pay taxes and duties.
3. Declaration of working abroad must be a period of at least 2 years for duty free re-import.

NOTE: Due to the constant political and economic changes in Eastern Europe, customs requirements are always subject to change. Please advise clients to contact us immediately upon arrival in order to complete necessary paperwork.
